THINGS TO KNOW ABOUT

THE FOUNDATION

1

CONNECT WITH THE NEXT GENERATION WORKFORCE

The digital Foundation Internship Center provides an intuitive, online platform for students and organizations to discover and connect with one another.

2

SHARE YOUR STORY VIA THE GUEST LECTURE PROGRAM

The Guest Lecture Program offers a ready-made, fully-customizable presentation developed by industry experts to introduce students to the equipment finance industry.

3

ACCESS THE FREE ONLINE FOUNDATION LIBRARY

The Foundation provides free digital access to published industry-specific products including State of the Equipment Finance Industry report, Equipment Leasing & Finance U.S. Economic Outlook, the Industry Future Council report, and many more.

4

SEEK GRANT OPPORTUNITIES

The Foundation has funded millions of dollars in research grants to study key topics for and about equipment leasing and finance. Submit a research grant proposal on one of our suggested topics or submit your own original idea.

5

EXPLORE STATISTICAL DATABASES

The Foundation provides approved academics and researchers with access to two significant statistical databases, each capturing thousands of data points on equipment finance transactions and benchmarking activity, to help further industry knowledge.

6

THE FOUNDATION IS DONOR-DRIVEN

Funded entirely through charitable individual and corporate donations, these contributions provide the necessary funding to develop key resources and trend analyses, maintain our grant program, and support the research products published by the Foundation.
